Breaking Bread LOL

LOL (Ladies out to Lunch) is meeting at the home of Linette Brammer. Her address is 31920 Greenhill Dr. We are starting at 12 pm on Sept. 15. Please bring an item for a green salad, as we will be having a salad bar. She will provide other beverages, such as water and lemonade or iced tea. Let Linette know if you are coming at 805-340-9969 with a text or phone call. Join us for good food and conversation!

All-Church Workday, led by Building & Grounds, is this **Saturday, September 12th** from 8 am to noon. There's lots to do - come lend a hand!

Preparing for Heaven: The Ultimate Gift of Love

Let's be honest - planning for the "what ifs" of life is easy to put off. Join us after church on **Sept 20th** as Lynn Viggianelli shares how her husband, Dave, thoughtfully prepared her for life after his passing - and why she now sees it as one of the most loving gifts he ever gave her. This isn't a class about paperwork or complicated legal details. It's a real-life story about having important conversations with the people you love and giving them greater clarity, confidence, and peace of mind. Whether you're 25, 35, or 45, the best time to start may be sooner than you think.

Thought for Meditation

"How believers hold the grace and glory of Jesus in balance is critical to the life of faith. The grace is destroyed if one tries to harness it for false power or authority, and the glory is lost if one does not recognize its presence in the quiet places of Jesus' grace."

— Gail R. O'Day, Professor of Homiletics, Candler, Atlanta GA

Science & Faith: The Incredible Gift of Trees

Join us on Sept. 18th at 7 pm in the Sanctuary for an enlightening and kid friendly one hour presentation. All are welcome - bring a friend!

Did you know why Scripture begins and ends with a tree of life? Genesis 2:9, Revelation 22:2 - the story opens with a tree we lost and; ends with a tree that heals the nations - and in between, trees literally heal us today...you’ll be amazed.

No science or theological background needed.
