

Moses said to the Israelites whom he had led out of slavery in Egypt and through the wilderness for forty years and to the Promised Land:

“Be careful to follow every command I am giving you today, so that you may live and increase and may enter and possess the land that the LORD promised on oath to your forefathers. Remember how the LORD your God led you all the way in the desert these forty years, to humble you and to test you in order to know what was in your heart, whether or not you would keep his commands. He humbled you causing you to hunger and then feeding you with manna, which neither you nor your fathers had known, **to teach you that man does not live on bread alone but on every word that comes from the mouth of the LORD.**”

- Jesus was led by the Spirit into the desert to be tempted by the devil. After fasting 40 days and forty nights, he was hungry. The tempter came to Him and said, “Since you are the Son of God, tell these stones to become bread.”
- Jesus answered,
- “It is written, ‘**Man does not live on bread alone, but on every word that comes from the mouth of God.**’”

Matthew 4:4
